THE TRADE CIRCULAR.

The Trade Circular is the trade edition of the LITERARY BULLETIN. In addition to the matter given in the BULLETIN, it contains correspondence (gratuitously inserted, when offered and approved), notices of business changes, order lists, announcements, novelties in the line of stationery and fancy goods, advertisements of wholesale prices, and other items of exclusively trade interest. It is not, like the BULLETIN, accessible to the general public, but it is sent gratuitously, post-paid, to the entire American Book Trade; to Stationers, Music Dealers, and Print Sellers; to Manufacturers and Importers of Goods sold by any of the above trades; to the leading Publishers and Booksellers in Europe; and to the Literary and Trade Organs at home and abroad. Should any one in the *legitimate* trade be omitted, his name will be entered on application.

The circulation of **The Trade Circular** is constantly increasing, and now reaches almost every branch connected with the Publishing and Stationery Trade. Thus our charge of \$20 a page is actually less than one-fourth of the amount of postage required *merely for mailing* any Trade List to the same addresses. With these facilities we beg to suggest the plan of using **The Trade Circular** for the purpose of distributing

NEW TRADE LISTS.

Calculating on a basis of co-operation, we can undertake the publishing and distribution of Trade Lists at considerably less expense than it can be done by the publisher himself. Proposing either to use the publisher's own plates, if uniform with the size of **The Trade Circular**, or to make a new set and deliver the same to the publisher at cost, we can afford to offer the following

SPECIAL RATES FOR TRADE LISTS.

(*Exclusive of cost of composition or stereotyping, or altering heading uniform with the "Trade Circular."*)

1 Page	.	.	.	\$15 00	8 Pages	.	.	.	\$65 00
2 Pages	.	.	.	25 00	12 "	.	.	.	85 00
4 "	.	.	.	40 00	16 "	.	.	.	100 00

Thus a Trade List is not only printed and distributed at the smallest expense, saving more-over time and trouble, but it is done in the handiest shape for permanent reference.

In order to enhance its practical value for this purpose, **The Trade Circular** will hereafter be paged continuously, and the first page devoted to an Alphabetical Index of Advertisers, carrying on the names with reference to the pages in back numbers through a whole season.

There is certainly no other trade paper to which, by reason of its thoroughly systematic record of all new publications, prompt reference can be so easily made as to **The Trade Circular**. Its Order Lists, arranged according to publishers; its Classified List, arranged according to subjects; its full Title List, arranged according to authors; its special exhaustive Lists of "Books for the Season," which will be continued, and finally the Annual Catalogue, form a complete system which renders the oversight of any book almost impossible. *Every new book or pamphlet*, if properly reported, will receive at least five to six entries,—any book of importance from seven to ten.

We have received, in regard to our efforts, so many appreciative assurances from publishers as well as dealers, that we confidently believe **The Trade Circular** is fast becoming an indispensable companion to every bookseller.

BOOSEY'S STANDARD OPERAS,

FOR VOICE AND PIANO-FORTE.

Edited by ARTHUR SULLIVAN.

The wide-spread popularity which of late years has existed for the masterpieces of the Lyrical Drama, has suggested to Messrs. BOOSEY the expediency of publishing a popular edition of the chief Operas at present holding the stage.

Under the title of **BOOSEY'S STANDARD OPERAS**, they propose issuing, at *fortnightly* intervals, the complete Piano-forte scores, with words, of the chief Operatic Works of the day, in a form at once compendious, elegant, and moderate in price. The Musical text, given in all its integrity, and including in many cases whole pieces usually omitted, will be thoroughly and carefully revised by Mr. ARTHUR SULLIVAN, with whom will be associated Mr. JOSIAH PITTMAN. The words will be in Italian (that being the recognized language of the lyrical drama throughout the world), together with a carefully executed English version, printed under the Italian text. To meet every demand on the part of the public, it is intended to issue extra editions of the most important French and German Operas, with words in their original language, in addition to the versions now publishing in Italian and English. These will be announced hereafter. The unaccompanied recitatives which occur in the older Operas will be given, for the convenience of the public, in the form of dialogue, in both languages.

This edition will be printed from a new fount of type, of remarkable clearness, on the finest paper; thus, the convenient size and completeness of this edition will serve not only for study at the Piano-forte, but will effectually supersede the libretti used in the theatres, enabling the auditor to follow the representation of an Opera in the manner that has been so popular at the performances of Oratorios.

The Operas will be published in volumes, Super-Royal 8vo., containing from 200 to 270 pages, price **One Dollar** each; also elegantly bound in crimson cloth, gilt lettered, and gilt edges, **Two Dollars** each.

The Operas will appear in the following order:—

November 1st—Mozart's DON GIOVANNI.

" **15th—Beethoven's FIDELIO.**

(This Edition will include the FOUR Overtures.)

December 1st—Rossini's IL BARBIERE.

" **15th—Bellini's LA SONNAMBULA.**

January 1st—Flotow's MARTHA.

" **15th—Verdi's IL TROVATORE.**

Boosey's Standard Operas will include all the principal acting Operas, the titles of which will be announced in future advertisements.

Subscribers' names will be received by all Music-Sellers and Booksellers in the States, or by the Publishers,

TWO STANDARD HISTORIES.

NOW READY:

The Popular Edition of FROUDE'S HISTORY OF ENGLAND, FROM THE FALL OF WOLSEY TO THE DEATH OF ELIZABETH.

*In twelve vols. 12mo, - - - - - \$1 25 per volume.
Or the twelve volumes in a neat case for \$15. The same in half calf extra, at \$36.*

The great merits of this work have secured for it in this handsome but inexpensive form a popular circulation almost without precedent. It is the only history deserving the name of one of the most momentous epochs in English history. This edition of FROUDE'S HISTORY, containing all the matter of the Library Edition, is a popular one, the price being remarkably low, placing it within the reach of those who are unable to purchase the Library Edition. It is printed upon good white paper, and the type is large and clear, so that it can be easily read by the weakest of eyes. The binding is substantial and attractive, and the whole work merits the warmest praise.

CRITICAL NOTICES.

"Considering the surprising merits of this history,—its great energy and grace of style, its dramatic power of description, its profound analysis of character and events, and the attractive form in which the publishers here offer it, and its exceeding cheapness, withal, we wonder that any intelligent man should refrain from its immediate purchase."—*Boston Watchman and Reflector*.

"We know of no living historian who writes more graphically, or possesses to a greater degree those qualities of style which make the annals of nations popular and interesting."—*Boston Commonwealth*.

THE LIBRARY EDITION OF FROUDE'S HISTORY.

Published in twelve volumes, printed upon heavy tinted paper, and handsomely bound in brown cloth, with gilt side and back, at \$3 per volume; or the set in a neat case, for \$30; the same in half calf at \$50.

ALSO, NOW READY:

The Large Paper Edition of Froude's History of England.

In twelve volumes, - - - - - Price per volume, \$5.00

NOW COMPLETE:

MOMMSEN'S HISTORY OF ROME, FROM THE EARLIEST TIME TO THE PERIOD OF ITS DECLINE.

By Dr. THEODOR MOMMSEN.

Translated with the author's sanction and additions, by the Rev. W. P. DICKSON, Regina Professor of Biblical Criticism in the University of Glasgow, late Classical Examiner in the University of St. Andrews. With an Introduction by Dr. LEONHARD SCHMITZ, and a copious Index of the whole four volumes, *prepared especially for this edition*.

REPRINTED FROM THE REVISED LONDON EDITION.

*Four volumes, crown 8vo, - - - - - Price, per volume, \$2 00
Or the set in a neat case, for \$8. In half calf, at \$15.*

Dr. MOMMSEN has long been known and appreciated through his researches into the languages, laws, and institutions of Ancient Rome and Italy, as the most thoroughly versed scholar now living in these departments of historical investigation. To a wonderfully exact and exhaustive knowledge of these subjects, he unites great powers of generalization, a vigorous, spirited, and exceedingly graphic style and keen analytical powers, which give this history a degree of interest and a permanent value possessed by no other record of the decline and fall of the Roman Commonwealth.

CRITICAL NOTICES.

"A work of the very highest merit; its learning is exact and profound; its narrative full of genius and skill; its descriptions of men are admirably vivid. We wish to place on record our opinion that Dr. Mommсен's is by far the best history of the Decline and Fall of the Roman Commonwealth."—*London Times*.

"The best history of the Roman Republic."—*Edinburgh Review*.

"A book of deepest interest."—*Dean Trench*.

The above volumes sent, post-paid, to any address, by the Publishers, upon receipt of price.

PUBLISHERS' CIRCULAR.

Issued on the 1st and 15th of each month.

THE AMERICAN LITERARY GAZETTE, commenced in 1862, has long been the recognized organ of the American Book Trade. - I. A complete and original List of all New Works and New Editions published in the United States during the fortnight, with their sizes, prices, and publishers' names ; also the contents of the various Magazines and Periodicals.
- II. Announcements of forthcoming Works.
- III. An original List of all Books of any importance published in Great Britain, France, Germany, Holland, and other parts of the Continent.
- IV. Trade Changes, New Firms, Literary Items of Intelligence, and other matters connected with or interesting to the Trade.
- V. Original and interesting Correspondence concerning the state of Literature and Trade, from London, Paris, and Frankfort, &c.
- VI. Notices of New Books, &c.

DISTINGUISHING CHARACTERISTICS.

Guyot's Texts and Maps are so constructed as to present the more obvious facts of Physical and Political Geography simultaneously.

Guyot's Descriptive Texts avoid the usual senseless repetitions, and classify and group

kindred facts, presenting one description only for any State or Country, or section of either, in which sameness of character admits sameness of description.

Prof. GUYOT'S WALL-MAPS.

Physical, Political, and Outline.

These Maps, of UNQUALLED EXCELLENCE as to plan and method and skilful execution, are issued in five different series, viz.:

THE CLASSICAL SERIES, three in number. Price \$45.

LARGE SERIES, consisting of nine large and splendid maps, mounted on rollers. Price \$71.

INTERMEDIATE SERIES, eight maps, mounted in the same way, smaller. Price \$38.50.

COMMON SCHOOL SERIES, ten in number, somewhat smaller, but mounted similarly. Price \$25.

PRIMARY SERIES, mounted on muslin, in a portfolio. Price \$18.

BY

ACT OF CONGRESS APPROVED JULY 8TH, 1870.

THE FOLLOWING ARE ALL THE SECTIONS OF "AN ACT TO REVISE, CONSOLIDATE, AND AMEND THE STATUTES RELATING TO PATENTS AND COPYRIGHTS," APPROVED JULY 8, 1870, WHICH RELATE TO COPYRIGHTS.

SECTION 85. *And be it further enacted*, That all records and other things relating to copyrights, and required by law to be preserved, shall be under the control of the Librarian of Congress, and kept and preserved in the Library of Congress; and the Librarian of Congress shall have the immediate care and supervision thereof, and, under the supervision of the Joint Committee of Congress on the Library, shall perform all acts and duties required by law touching copyrights. The Librarian shall cause a seal to be provided for said office, with such device as the Joint Committee on the Library may approve, with which all records or papers issued from said office, and to be used in evidence, shall be authenticated. He shall also give an additional bond, with sureties, to the Treasurer of the United States, in the sum of five thousand dollars, with the condition that he will render to the proper officers of the treasury a true account of all moneys received by virtue of his office. He shall also make an annual report to Congress of the number and description of copyright publications for which entries have been made during the year. And the Librarian of Congress shall receive a yearly compensation of four thousand dollars, to commence when this act shall take effect.

And the court shall have power, upon bill in equity, filed by any party aggrieved, to grant injunctions to prevent the violation of any right secured by said laws, according to the course and principles of courts of equity, on such terms as the court may deem reasonable.

SEC. 107. *And be it further enacted*, That a writ of error or appeal to the Supreme Court of the United States shall lie from all judgments and decrees of any court, in any action, suit, controversy, or case touching copyrights in the same manner and under the same circumstances as in other judgments and decrees of such courts, without regard to the sum or value in controversy.

DIRECTIONS FOR SECURING COPYRIGHTS

UNDER THE REVISED ACT OF CONGRESS, WHICH TOOK EFFECT
JULY 8, 1870.

1. A printed copy of the title of the book, map, chart, dramatic or musical composition, engraving, cut, print, photograph, chromo, or design for a work of the fine arts, for which copyright is desired, must be sent by mail, addressed,

LIBRARIAN OF CONGRESS,

COPYRIGHT MATTER.

WASHINGTON, D. C.

This must be done before publication of the book or other article.

2. A fee of 50 cents, for recording the title of each book or other article, must be enclosed with the title as above, and 50 cents in addition (or \$1 in all) for each certificate of copyright, under seal of the Librarian of Congress, which will be transmitted by return mail.

3. Within ten days after publication of each book or other article, two complete copies of the best edition issued must be mailed, to perfect the copyright, with the address,

LIBRARIAN OF CONGRESS,

COPYRIGHT MATTER.

WASHINGTON, D. C.

If the above direction is complied with, both books and titles will come free of postage, and postmasters will give receipts for the same if requested. Without the deposit of copies above required, the copyright is void, and a penalty of \$25 is incurred.

4. Copyrights recorded at a date prior to July 8, 1870, in any district clerk's office, do not require re-entry at Washington. But one copy of each book or other article published since March 4, 1865, is required to be deposited in the Library of Congress, if not already done. Without such deposit the copyright is void.

5. No copyright is valid unless notice is given by inserting in the several copies of every edition published, on the title-page or the page following, if it be a book; or if a map, chart, musical composition, print, cut, engraving, photograph, painting, drawing, chromo, statue, statuary, or model or design intended to be perfected and completed as a work of the fine arts, by inscribing upon some portion of the face or front thereof, or on the face of the substance on which the same is mounted, the following words, viz.: "Entered according to act of Congress, in the year —, by —, in the office of the Librarian of Congress, at Washington."

6. Each copyright secures the exclusive liberty of publishing

the book or article copyrighted for the term of twenty-eight years. At the end of that period, the author or designer (not the proprietor) may secure a renewal for the further term of fourteen years, making forty-two years in all.

7. Any copyright is assignable in law by any instrument of writing; but such assignment must be recorded in the office of the Librarian of Congress within sixty days from its date. The fee for this record is fifteen cents for every 100 words, and ten cents for every 100 words for a copy of the record of assignment.

8. In the case of books published in more than one volume, or of periodicals published in numbers, or of engravings, photographs, or other articles published with variations, a copyright must be taken out for each volume of a book, or number of a periodical, or variety as to size or inscription, of any other article.

9. To secure a copyright for a painting, statue, or model or design, intended to be perfected as a work of the fine arts, so as to prevent infringement by copying or vending such design, a definite description of such work of art must accompany the application for copyright, and a photograph of the same, at least as large as "cabinet size," should be mailed to the Librarian of Congress within ten days from the completion of the work.

10. In all cases where a copyright is desired for any article not a book, the applicant should state distinctly the title or description of the article in which he claims copyright.

II.—DOMESTIC AND FOREIGN POSTAL REGULATIONS.

FOREIGN LETTERS, &c.

The route to the North German Union direct being closed, so much of the following miscellany as relates thereto is inoperative.

Letters to foreign countries, where prepayment of postage is compulsory, when insufficiently paid, are sent to the Dead Letter Office, to be opened and returned to the writers, and are thereby delayed one or two mails, and, no doubt, in many cases, causing serious loss and annoyance to the writers.

MODE OF INDICATING THE PREPAYMENT OF POSTAGE UPON LETTERS RECEIVED FROM FOREIGN COUNTRIES.

When the *United States* official postage entries on the *letters received* from Great Britain or the Continent of Europe, are in *red* ink, the letter is to be considered as paid, and is to be delivered

accordingly ; when in *black* ink, as unpaid, and the postage is to be collected on delivery.

Unpaid and insufficiently paid letters, to or from Great Britain and Ireland, are chargeable with a fine on delivery, in addition to the postage. In the case of such letters arriving in the United States, the fine is *six cents* on each letter. Unpaid and insufficiently paid letters to or from the Netherlands, Belgium, Italy, and Switzerland, when sent direct in closed mail via England, are also chargeable with a fine on delivery in addition to the postage. In the case of letters arriving in the United States the fine is *five cents*. In both cases the amount is marked on the letters at the various exchange offices, and collected at the offices of delivery. Unpaid and insufficiently paid letters to and from the North German Union (including Austria and Luxemburg) are chargeable with double the rate stated in the table, credit being allowed for any part prepayment.

REGISTERING FOREIGN LETTERS.—Letters can be registered in the United States for Great Britain and Ireland, for the North German Union (including all the German States and Austria), and for all of the countries and places reached via the North German mails, except the following places in Turkey: Alexandretta, Latakia, Mersina, Retimo, and Tripoli; also for Belgium, The Netherlands, Italy, and Switzerland. Letters to Canada, Nova Scotia, New Brunswick, and Prince Edward's Island can be registered, but *not* to Newfoundland. Letters can be registered (by British mail, via England) to Cape of Good Hope, Ceylon, Constantinople, East Indies, Egypt (viz.: Alexandria, Cairo, and Suez), Falkland Islands, Gambia, Gibraltar, Gold Coast, Hong Kong, Java, Lagos, Labuan, Liberia, Malta, Mauritius, Natal, New South Wales, Queensland, St. Helena, Sierra Leone, South Australia, Tasmania, Victoria, and Western Australia, on payment of a registration fee (in stamps) of sixteen cents. This is in addition to the postage, which must be fully prepaid by stamps.

The registry fee to be charged on registered letters and other postal packets to Germany (as well as on *letters* to all countries and places reached via the North German mails, except the places in Turkey mentioned in the preceding paragraph), to Austria and its States, or to Belgium and The Netherlands, to Italy and the Roman or Papal States, and to Middle and Lower Egypt via North German Union, direct or by closed mail via England, and to Italy and Switzerland by closed mails via England, is *eight cents*, and on letters to Canada, Nova Scotia, New Brunswick, and Prince Edward's Island, it is *five cents*—on letters and other postal packets to Great Britain and Ireland, *eight cents*. No other postal packets than *letters* can be sent registered beyond North Germany, except to the Roman or Papal States. Letters can be registered, via San Francisco, to Yokohama, in Japan, and Shanghae, in China, on payment of a registration fee

of *eight* cents in addition to the proper postage. Such letters, like registered domestic letters, should be sent to the first distributing office on the route. All registered letters and other postal packets must be prepaid in full to destination.

Until January 1, 1870, letters could be registered, on payment of certain special postage rates, to France, Algeria, Corsica, Bourbon, Nice, and Savoy ; also to Alexandretta, Tangiers, and Tunis. This, however, cannot be done at present. The registration fee on letters, etc., to all foreign countries to which registration is practicable will be found noted in the Table of Postages to Foreign Countries. On such letters, etc., only the postage rates as given in the table need be prepaid, in addition to the registration fee.

CANADIAN CORRESPONDENCE.—Irregularities having arisen in respect to Canadian correspondence, these directions must hereafter be observed :—

Letters addressed to Canada must be mailed to a United States Exchange Office. Letters cannot be sent *direct to Post Offices in Canada*.

The postage on a single letter to or from Canada is six cents per half ounce, if fully prepaid, and *ten* cents, if unpaid or insufficiently paid. Prepayments must be made *by United States postage stamps*—not in money.

REGULATIONS WITH RESPECT TO NEWSPAPERS, BOOK PACKETS, PATTERNS, SAMPLES, &c, TO FOREIGN COUNTRIES.

THE regulations to be observed and enforced in the United States with respect to printed matter of all kinds and other postal packets, addressed to the United Kingdom of Great Britain and Ireland, Belgium, The Netherlands, Italy, Switzerland, and the North German Union, or to the countries to which they respectively serve as intermediaries, are as follows:—

1. **NEWSPAPERS AND OTHER PRINTED MATTER.**—Newspapers, circulars, pamphlets, periodicals, books or other printed papers (including maps, plans, prints, engravings, drawings, photographs, lithographs, sheets of music, &c.), must be wrapped or enveloped in covers open at the sides or ends, so as to admit of the enclosures being removed for examination.

No newspaper, pamphlet, periodical, or article of printed matter, may contain any word or communication, whether by writing, printing, marks or signs, upon the cover or wrapper thereof, except the name and address of the person to whom it is sent, the printed title of the publication, the printed name of the publisher or vendor who sends it; or, in case of newspapers or other regular publications, when sent to subscribers direct from the office of publication, the printed date when subscription expires. It must not contain a letter or any communication in writing, or other enclosure.

The law and regulation of this department which excludes all obscene books, pamphlets, pictures, prints, or other publications of a vulgar or indecent character from the mails of the United States, are also to be enforced with respect to books, pamphlets, pictures, prints, or other publications of like character, addressed to foreign countries.

2. **BOOK-PACKETS.**—No book-packet may contain anything that is sealed or otherwise closed against inspection, nor must there be any letter, nor must there be any communication in the nature of a letter, whether separate or otherwise, unless the whole of such letter or communication be printed. But entries merely stating from whom or to whom the packet is sent shall not be regarded as a letter.

No book-packet must exceed two feet in length, or one foot in width or depth.

Any book-packet which is not open at the sides or ends, or has any letter, or communication in the nature of a letter, written in it, or upon its cover, cannot be received or forwarded in the mail; and it is the duty of postmasters, whenever they have ground for suspecting an infringement of any of the above conditions, to open and examine book-packets, patterns, samples, or other postal packets, posted at or passing through their offices.

3. **PATTERNS OR SAMPLES OF MERCHANDISE.**—Patterns or samples of merchandise must not be of intrinsic value; which rule excludes from the mails all articles of a salable nature, or whatever may have a market value of its own apart from its mere use as a pattern or sample; or where the quantity of any material sent ostensibly as a pattern or sample is so great that it could fairly be considered as having on this ground an intrinsic value.

No packet of patterns or samples must exceed 24 inches in length, or 12 inches in breadth or depth, or 24 ounces in weight.

Patterns or samples of merchandise exceeding the weight of 7 1-2 ounces cannot be sent by mail to the North German Union.

Patterns or samples must not bear any writing other than the addresses of the persons for whom they are intended, except the address of the sender, a trade-mark and numbers, and the prices of the articles.

There must be no enclosures other than the patterns or samples themselves. The particulars allowed to be furnished under the preceding paragraph must in all cases be given, not on loose pieces of paper, but on small labels attached to the patterns or samples, or the bags containing them.

DOMESTIC POSTAGES.

The law requires postage on all letters (including those to foreign countries when prepaid), excepting those written to the President or Vice-President, or members of Congress, or (on official business) to the chiefs of the executive departments of the government, and the heads of bureaus and chief clerks, and others invested with the franking privilege, to be prepaid by stamps or stamped envelopes, prepayment in money being prohibited. Postmasters can send *official* letters to other Postmasters free.

By a joint resolution of the Senate and House of Representatives, the Adjutants-General of the several States and Territories are authorized to transmit through the mails, free of postage, any medals, certificates of thanks, or other testimonials awarded, or which may be awarded by the Legislatures of said States and Territories, to the soldiers thereof, under such regulations as the Postmaster-General may direct.

Section 123, Regulations 1866, declares the franking privilege to be of two kinds—either a personal privilege or an official trust. All mail matter addressed to persons possessing the privilege as a personal privilege, may be forwarded free, except in some cases where it is limited to a weight of four ounces. Mail matter to those possessing the privilege as an official trust, can only be forwarded free if it appertains to official business. Section 124 names the persons or officers who have the franking privilege of either kind. Besides these, the Commissioner of Education possesses the official privilege; and all copyright books, maps, etc., may be forwarded to the Librarian of Congress, free of postage, provided the words “copyright matter” be plainly written or printed on the package. And postmasters are required to give receipts for such packages, if required. Certain Revenue officers, also, besides those mentioned in the section above named,

possess the privilege as an official trust, as follows: Assessors may frank on official business to Assessors, to Assistant Assessors, and to Collectors; Assistant Assessors may only frank to Assessors. Collectors may frank to Collectors, Deputy Collectors, and Assessors; Deputy Collectors may frank only to Collectors. No communication, official or otherwise, from these officers to private citizens can be sent free.

The Act of March 1, 1869, relating to franking, makes no change in the privilege, but merely enacts that the signature of the franking party must be written and not printed.

The rate of postage on mail letters to any part of the United States is three cents a half ounce or fraction thereof. The rate of postage on drop letters, at offices where free delivery by carrier is established, is two cents per half ounce or fraction of a half ounce; at offices where such free delivery is *not* established, the rate is one cent. All drop as well as mail letters must be prepaid.

Letter postage is to be charged on all handbills, circulars, or other printed matter which shall contain any manuscript writing whatever.

Daguerreotypes, when sent in the mail, are to be charged with letter postage by weight.

Photographs on cards, paper, and other flexible material (not in cases) can be sent at the same rate as miscellaneous printed matter, viz., two cents for each four ounces or fraction thereof.

POSTAGE ON TRANSIENT PRINTED MATTER.

Mailable matter passing between Kansas and California pays the usual rates of postage from and after the 1st of October, 1868, repealing section 259, Postal Laws, and, of course, rescinding section 229 of Regulations.

Books, not over four ounces in weight, to one address, 4 cts.; over four oz. and not over eight oz., 8 cts.; over eight oz. and not over twelve oz., 12 cts.; over twelve oz. and not over sixteen oz., 16 cts.

Circulars, not exceeding three in number, to one address, 2 cts.; over three and not over six, 4 cts.; over six and not over nine, 6 cts.; over nine and not exceeding twelve, 8 cts.

Exchange newspapers and periodicals cannot be remailed without being chargeable with postage.

Where packages of *newspapers* or *periodicals* are received at any *post-office* directed to one address, and the names of the club of subscribers to which they belong, with the postage for a quarter in advance, shall be handed to the postmaster, he shall deliver the same to their respective owners. But this does not

apply to weekly newspapers which circulate free in the county where printed and published.

POST-OFFICE BLANKS.

The agency for supplying postmasters with blanks is located at Washington, D. C.

When the postages collected at an office amount to \$100 a year, the name of the postmaster and of his office will be printed on the post bills. When the postmaster's compensation exceeds \$12.50 a quarter, the postmaster is entitled to wrapping-paper and twine, at the above agencies.

Orders for wrapping paper and twine must be on separate sheets from orders for blanks; but both may be enclosed in one envelope.

All postmasters whose compensation is less than \$12.50 per quarter, can purchase a reasonable quantity of wrapping-paper and twine, *provided* the net proceeds of the office exceed twenty-dollars per year.

Applications for blank registers of arrival and departure of the mails must be made direct to the "Contract Office, Inspection Division, P. O. Dept." For special instructions, to the First Assistant Postmaster-General.

a.—When the letter *a* is prefixed, the foreign postage (which in each case is 12 cents) is increased by an additional rate for every $7\frac{1}{2}$ grammes ($\frac{1}{4}$ oz.) or fraction thereof. The United States inland and Atlantic sea postage (which in each case is 4 cents the single rate) is increased by an additional rate for every 15 grammes ($\frac{1}{4}$ oz.) or fraction thereof.

b.—Where the letter *b* is prefixed, an additional rate is to be added to the foreign portion of the postage for each 4 ounces or fraction thereof, if the newspaper exceeds 4 ounces in weight. The foreign postage, in each case, is ascertained by deducting from the amount set down the sum of 2 cents, which is the United States portion of the postage on a single newspaper, regardless of weight. In all other cases the postage is for each newspaper without regard to its weight when sent in British mail.

c.—The book and pattern post to Egypt via British mail extends only to Alexandria, Cairo, and Suez.

d.—Registration to Egypt by British mail extends to Alexandria, Cairo, and Suez only.

e.—In consequence of the non-existence at present of any postal convention between the United States and French Post Departments, no rates "*by French mail*" can be inserted in the table, and postmasters will cease to charge the rates formerly published as chargeable on matter sent by that route.

f.—The charge on newspapers to Belgium, The Netherlands, the North German Union, or via the North German Union to countries beyond, and to Italy and Switzerland, increases a single rate for every four ounces of weight.

g.—Cannot be sent.

h.—LETTERS only can be registered.

i.—See "Registration to Foreign Countries," inside page.

A larger list might have been made by adding a few well-known libraries that have not replied to the circular, but it has been deemed best to publish only those of which definite information has been secured in the manner above stated.

The following "Directions" supersede those on pages 361 and 362.

NEW DIRECTIONS
FOR
SECURING COPYRIGHTS
UNDER
THE REVISED ACT OF CONGRESS, WHICH TOOK EFFECT
[JULY 8, 1870.

Printed title for
entry before pub-
lication.

1. A printed copy of the title of the book, map, chart, dramatic or musical composition, engraving, cut, print, photograph, chromo, or *a description of any* design for a work of the fine arts for which copy-right is desired, must be sent by mail, addressed

LIBRARIAN OF CONGRESS,

COPYRIGHT MATTER.

WASHINGTON, D. C.

This must be done before publication of the book or other article.

Copyright fees.

2. A fee of 50 cents, for recording the title of each book or other article, must be enclosed with the title as above, and 50 cents in addition (or \$1 in all) for each certificate of copyright under seal of the Librarian of Congress, which will be transmitted by return mail.

"What is required
to perfect copy-
right.

3. Within ten days after publication of each book or other article, two complete copies of the best edition issued must be mailed to perfect the copy-right, with the address

LIBRARIAN OF CONGRESS,

COPYRIGHT MATTER.

WASHINGTON, D. C.

NOTE.—The words in italics are the ones differing from the former directions, and published on pages 361 and 362. Of course, now that these are issued, they will entirely *supersede* those on the two pages named.

If the above direction is complied with, both books and titles will come free of postage, and postmasters will give receipt for the same if requested. Without the deposit of copies above required, the copyright is void, and a penalty of \$25 is incurred. No copy is required to be deposited elsewhere. Penalty.

4. Copyrights recorded at a date prior to July 8, 1870, in any district clerk's office, do not require re-entry at Washington. But one copy of each book or other article published since *the act of* March 4, 1865, is required to be deposited in the Library of Congress, if not already done. Without such deposit the copyright is void. Former entries and deposits.

5. No copyright *hereafter issued* is valid unless notice is given by inserting in every copy published, on the title page or the page following, if it be a book, or if a map, chart, musical composition, print, cut, engraving, photograph, painting, drawing, chromo, statue, statuary, or model or design intended to be perfected and completed as a work of the fine arts, by inscribing upon some portion of the face or front thereof, or on the face of the substance on which the same is mounted, the following words, viz.: *Entered according to act of Congress, in the year —, by —, in the office of the Librarian of Congress, at Washington.* Notice of copyright to be given by imprint.

The law imposes a penalty of \$100 upon any person who has not obtained copyright, who shall insert the notice "entered according to act of Congress," etc., or words of the same import, in or upon any book or other article.

6. *Any author may reserve the right to translate or to dramatize his own work. In this case notice should be given by printing the words, Right of translation reserved, or All rights reserved, below the notice of copyright entry, and notifying the Librarian of Congress of such reservation, to be entered upon the record.* Translations.

7. Each copyright secures the exclusive right of publishing the book or article copyrighted for the term of twenty-eight years. At the end of that time, the author or designer may secure a renewal for the further term of fourteen years, making forty-two years in all. *Applications for renewal must be accompanied by explicit statement of ownership, in the case of the author, or of relationship, in the case of his heirs, and must state definitely the date and place of entry of the original copyright.* Duration of copyright.
Renewals.

Time of publication.

8. *The time within which any work copyrighted may be issued from the press is not limited by any law or regulation, but depends upon the discretion of the proprietor. A copyright may be secured for a projected work, as well as for a completed one.*

Assignments.

9. Any copyright is assignable in law by any instrument of writing; but such assignment must be recorded in the office of the Librarian of Congress within sixty days from its date. The fee for this record is fifteen cents for every 100 words, and ten cents for every 100 words for a copy of the record of assignment.

Serials or separate publications to be copyrighted separately.

10. In the case of books published in more than one volume, *if issued or sold separately*, or of periodicals published in numbers, or of engravings, photographs, or other articles published with variations, a copyright is to be taken out for each volume of a book, or number of a periodical, or variety, as to size or inscription, of any other article.

Copyrights for works of art.

11. To secure a copyright for a painting, statue, or model or design intended to be perfected as a work of the fine arts, so as to prevent infringement by copying, *engraving*, or vending such design, a definite description must accompany the application for copyright, and a photograph of the same, at least as large as "cabinet size," should be mailed to the Librarian of Congress within ten days from the completion of the work.

Full name of proprietor required.

12. Every applicant for a copyright must state distinctly in whose name the copyright is to be entered, and whether the right is claimed as author, designer, or proprietor. *No affidavit or formal application is required.*
